## Summer Camp 2011

### **General Information**

Our nine week summer program begins on Monday, June 27th and ends on Friday, August 26th. Our program has a good balance of playtime and study time. We provide academic instruction every morning from 9 am-12 noon (Mon-Thurs). Each afternoon we offer a variety of free activities, including dance, crafts, group projects, movies, water slide, moonbounce, karate, game time, and other fun activities. These activities are not just fun, they also teach coordination, cooperation, and listening skills. Every Friday we go on a field trip.

### **Academics**

Monday through Thursday begin with three hours of academic study. Our goal for the academic portion of the summer is to reinforce what the students have learned the previous year and to help prepare them for the next year. Many of our field trips are educational as well as entertaining.
