Our ten week summer program begins on Monday, June 28th and ends on Friday, August 27th. Our program has a good balance of playtime and study time. We provide academic instruction every morning from 9 am-12 noon (Mon-Thurs). Each afternoon we offer a variety of free activities, including dance, crafts, group projects, movies, water slide, moonbounce, karate, game time, and other fun activities. These activities are not just fun, they also teach coordination, cooperation, and listening skills. Every Friday we go on a field trip. There are five walking trips to Lomita Park and five bus trips to local attractions (Seaside Lagoon X2, LA Zoo, Natural History Museum)

Academics

Monday through Thursday begin with three hours of academic study. Our goal for the academic portion of the summer is to reinforce what the students have learned the previous year and to help prepare them for the next year. Many of our field trips are educational as well as entertaining.

Complementary Meals and Snacks!

Meals and snacks are always included with your tuition. We serve a variety of meals every week, such as: spaghetti, hot dogs, sandwiches, chicken, quesadillas, and much more.
